To whom it may concern,

We have utilised the service of On-Site Recruitment Solutions Ltd since July, 2008 and most recently Will Spong in the supply of temporary labour and trades.

We have always found Will and On-Site to be honest and professional in their approach and the one point of contact has allowed us to build a fluent working relationship in recent years.

We are confident in the ability of Will and On-Site to provide the calibre of operative we require each time and their response is often at short notice, yet their diligence rarely falters.

We would have no hesitation in recommending the service of Will Spong and On-Site to any company looking for a temporary labour and trades solution.

Yours Sincerely,

Jim Fox
