Will.

I would just like to say thank you very much for all your help finding me Painters for a Major Contract I had given to me at the last moment when the School closed for Summer Holiday.

I am quite sure without your help I would not have got the Contract finished.

Obviously it would have caused problems if the School wasn't opened on time.

I would not hesitate to call on your Services again which I have done in the past & will in the future.

Thanks again Will.

Yours faithfully
