To whom it may concern

We have been utilizing the services of On – Site Recruitment Solutions Limited for the past two years and have personally known one of their Directors for ten years and have found them to be a most professional organisation and worthy of being on our celebrated preferred supplier listing.

This listing contains only three other entries that undertake a similar activity for our Group of Companies and are reliably informed to be one of toughest listings to gain entry onto within the industry due to our stringent requirements.

On – Site Recruitment Solutions Limited have ISO 9001:2000 UKASS approved Quality Management Systems in place, and are working towards ISO 14001:2004 Environmental Management Systems.

Gratte Brothers have second party audited their management systems and found them to be both robust and compliant. Indeed as a company they are driven by the need to exceed in all they do in order to satisfy their clients requirements and to achieve repeat business.

I have no hesitation in recommending them to you.

Yours Faithfully
