For the attention of Mr. Elliott Lewry

Dear Elliott,

I would like to take this opportunity to thank you for your continued support over the last two years on our project at QA Hospital in Cosham.

During this time On-site Recruitment Solutions Ltd have supplied us with Mechanical and Electrical tradesmen to carryout a large and prestigious New Build installation. The operatives provided have been of the highest caliber and have remained with the contract long term, this has contributed to Haydon M&E meeting tight deadlines and hitting our targets.

On a personal note, I would like to take this opportunity in expressing my gratitude in your assisting our company and personally me.

We will continue to utilize On-site for the foreseeable future and would have no hesitation in recommending your services to any potential customers.

Yours sincerely
