Onsite Recruitment Solutions

I confirm that I have dealt with Onsite Recruitment Solutions since 2006, during which time they have provided Romec National Project Group (NPG) with excellent support in the areas of providing skilled and semi skilled engineering personnel. Their work has been a major factor in our project's success, in providing a first class, timely service delivery to our blue chip customers.

I can confidently recommend Onsite Recruitment Solutions as a solid, reliable and trustworthy supplier, and experts in their field

Please do not hesitate to contact the undersigned if you require any further supporting information.

Yours Faithfully

K J Keeling
