To whom it may concern,

On-Site Recruitment Solutions Ltd, and Antony Hampshaw, have provided labour and trades to our company on various projects in the Hampshire area since 2008.

Antony has sourced mainly painters and carpenters for us, but we have also employed labourers and through On Site Recruitment Solutions too.

I have always found the service from On-Site to be excellent and we can rely on them supplying operatives at next-day notice if necessary.

All operatives also arrive with their own tools, safety wear and transport and Antony always maintains communication with us from the first morning they start to ensure we are receiving the service we expect.

I would not hesitate to recommend the service of On-Site Recruitment Solutions Ltd and Antony Hampshaw to any company looking for an effective and professional contract labour solution.

Yours Sincerely,

Gary Garnett
