

January 2018

Dear Sir/Madam,

On Site London Ltd (Part of the On Site Group) have provided an efficient and dedicated service to Fascel Group Ltd (Formally known as F&S Pipework Ltd) and are currently one of our preferred suppliers.

I have known Ant Hampshaw and his team in a professional capacity for 12 years, during this time I found their understanding of the Mechanical industry and in particular the London market invaluable.

As a quality assured Company, compliancy in not an issue with On-Site and I would therefore have no hesitation in recommending On Site London Ltd as a provider of temporary M&E personnel.

Yours Sincerely

Andy Carr

Director
