Antony Hampshaw
On-Site Recruitment Solutions Ltd

Jan 2018

I would like to take this opportunity to thank you for your continued support you have given QST Construction Ltd over the last year. The calibre of staff has been of a high standard and you have always managed to deliver on time, often reacting at short notice.

I would highly recommend Ant Hampshaw at On-Site Recruitment Solutions Ltd to any construction based company for resourcing trades and labour. Ant along with Ellen Angel has always managed to provide an excellent service.

I look forward to continuing our successful relationship.

Yours Sincerely

Mike Tribbeck
